

Dear Families,

Wow! What a full class of kids this fall - we barely fit in our classroom! It has been great to see each of them as often as they are coming.

We will continue to use Group's FaithWeaver this winter. It is a good 60 minute program that I have to teach in 30. It is my goal to hit the main points and attempt to add in some memory work this winter as well.

Attached is our weekly lesson schedule and verse. Please find a place in your home to post it. Ask your children what they learned each week, talk to them about it and try to answer any questions they have. Please repeat the weekly verse each day, helping them put it to memory in their hearts.

Did you know... On the back of their weekly Truth Sleuth are our story summary, Bible point, key verse, family connections, as well as weekly verses to help them each really delve into the Bible and apply what they learned each day?

Family Challenge!!! Can you and your student(s) give God at least 5 minutes/day together? Complete "The Word For the Week" on the back of your Bible Truth Sleuth. Initial each day you and your student(s) find the verse talk about the given questions and return the paper the following Sunday. I will track family progress for a special surprise at the end of the year!

2014 Snack Sign-Up. In order to get class started on time it is very helpful for families to sign up to bring in a snack to share. Available dates are on our website and in our classroom. We have an average of 12 kids a week (sometimes more).

Sharing their faith:

We will continue to track our casts and reeled in fish this winter.

Every time a student brings in a guest to class they get to add a fish to our "Go Fishing for Men" board *and* the student and friend each get to get a treat from the fish bowl.

Sharing their faith AND standing strong together:

Next Event...

We are looking for a parent who would like to organize the next event. Considerations: sledding, a lock-in, laser-tag, bowling, etc... If you would like to organize the next Jr. Youth event, please just let me know in person, @ bridger01@sbcglobal.net, or by phone 541-0299.

Looking forward to a great year!

Rachel
